

Business Incubation Centre (BIC)

Evaluation Criteria & Application Guidelines — ORIC MUET

About BIC

The Business Incubation Centre (BIC) at ORIC MUET supports student and faculty startups through a structured 12-month incubation program. BIC intake runs **twice yearly**, with applications evaluated every 3 months by the ORIC evaluation committee.

Eligibility Criteria

- Applicant must be a current MUET student, faculty member or recent graduate (within 2 years)
- The startup must be ICT-based or involve engineering technology
- A working prototype or proof-of-concept must exist or be in development
- The startup must be less than 1 year old at time of application
- Team must include at least one MUET-affiliated member
- The business must not be registered as a formal company prior to application

Evaluation Criteria

Criterion	Weight	Description
Innovation & Novelty	25%	How original and innovative is the idea?
Market Potential	20%	Market size, demand validation, growth potential
Technical Feasibility	20%	Can it be built? Is the technology sound?
Team Capability	15%	Skills, commitment, and relevant background
Social Impact	10%	Benefit to society, SDG alignment
Commercialization Plan	10%	Revenue model and go-to-market strategy
Presentation Quality	10%	Clarity of pitch and documentation

Benefits of BIC Incubation

- Office space and infrastructure at MUET campus
- Mentorship from experienced entrepreneurs and faculty
- Access to ORIC networks — Komatsu, ASPIRE, CIRIAF-Perugia partnerships
- Seed funding eligibility: Rs 12,500 to Rs 25,000 per FYP Showcase award
- IP protection support through ORIC legal team
- Pitch training and investor introduction sessions
- Access to IEC (Innovation & Entrepreneurship Centre) facilities

Application Process

Step	Action	Timeline
1	Submit online pre-incubation registration form	Open twice yearly

2	Initial screening by ORIC committee	Within 2 weeks
3	Shortlisted teams invited for pitch presentation	Week 3
4	Evaluation by panel (faculty + industry partners)	Week 4
5	Results announced and MoU signed with selected teams	Week 5
6	12-month incubation program begins	Month 2
