

Industry Partnership Process Guide

Complete Guide for Industry Partners — ORIC MUET

About ORIC MUET

ORIC MUET (Office of Research, Innovation & Commercialization) bridges academia-industry gaps by fostering innovation, protecting intellectual property, and translating research into marketable products. ORIC manages three key facilities: Business Incubation Centre (BIC), Science & Technology Park (STP), and Innovation & Entrepreneurship Centre (IEC).

ORIC has established **29+ National Industry-Academia MoUs since 2009**, including partnerships with Komatsu Pakistan Mining, ASPIRE Pakistan, CIRIAF-University of Perugia (Italy), and the National Incubation Centre (NIC) Hyderabad.

Partnership Types Available

Partnership Type	Description	Timeline
MoU Agreement	Formal partnership covering multiple collaboration areas	4-6 weeks
Internship Program	Industrial training for MUET students at partner premises	2-4 weeks
Joint Research	Collaborative R&D with MUET faculty and researchers	6-8 weeks
Recruitment Drive	Campus recruitment for MUET graduates	1-2 weeks
FYP Sponsorship	Sponsor Final Year Projects (Rs 12,500-25,000)	2-3 weeks

MoU Process — Step by Step

Step 1: Submit collaboration request via ORIC Industry Partner Portal or email dir.oric@admin.muet.edu.pk

Step 2: Request reviewed by Manager UILTT: Dr. Syed Muhammad Ali Shah within 5 business days

Step 3: Initial meeting arranged between ORIC team and partner representatives

Step 4: Scope of collaboration defined and MoU draft prepared by ORIC legal team

Step 5: MoU reviewed and approved by both parties — Director ORIC signs on behalf of MUET

Step 6: MoU signing ceremony organized at MUET campus

Step 7: Collaboration activities begin as per agreed timeline and deliverables

Step 8: Annual review meeting to assess progress and renew/revise MoU
